OMNI SYSTEMS, INC. STANDARD TERMS AND CONDITIONS OF SALE

This document sets forth the terms and conditions for the sale by OMNI Systems, Inc., 24400 Highland Rd., Richmond Hts., Ohio 44143 ("Omni") of Products or Services to Customer.

I. Offer and Acceptance.

A. Omni's quotation constitutes an offer for the sale of Products or Services (the "Offer"). Unless otherwise specified in the Offer, or some other document signed by Omni, the terms and conditions of sale set forth in this document ("Omni's Terms") apply to all Products and Services sold or provided by Omni.

B. Any purchase order or other form of acceptance issued by Customer shall result in a contract for the purchase of the Products or Services at the price quoted in the Offer. Customer shall be deemed to have accepted any of Omni's Terms to which Customer has not specifically objected. Customer's issuance of a purchase order which purports to reject some or all of Omni's Terms by virtue of standard form language shall not be sufficient objection. Customer shall be required to set forth each objection to Omni's Terms in a separate writing signed and dated by Customer and delivered to Omni prior to or contemporaneous with Customer's purchase order or other form of acceptance. Omni's failure to object to provisions in any purchase order, or other communication from Customer (including, without limitation, penalty clauses of any kind), shall not be a waiver of Omni's Terms, nor an acceptance by Omni of any such provisions. Any terms in Customer's purchase order or any other document of acceptance which are different from or additional to Omni's Terms are hereby rejected unless specifically accepted by Omni in a separate document signed by both Customer and Omni, regardless of whether such other terms would materially alter the terms of this document. No course of dealing, custom or usage, which is contrary to Omni's Terms shall apply.

C. Omni reserves the right to correct any typographical or clerical errors in prices, specifications, quotations, or acknowledgments.

D. The minimum purchase order amount for labels is \$1500 per line item. Purchase orders for all other Products or Services that total less than \$1500 shall be assessed a processing fee.

II. Financial Condition.

At Omni's request, Customer will furnish sufficient information to enable Omni to assess Customer's creditworthiness. Omni may, in its discretion, require full or partial payment in advance.

III. Prices.

A. Prices are subject to change without prior notification, are collect from point of shipment, and do not include freight, delivery charges, taxes (sales, excise, use, ad valorem, etc.) or any export or import duties. Those charges may be prepaid by Omni and added to Customer's invoice.

B. Omni will charge Customer Omni's current rates for tooling, plates, proofs, alterations, digital and soft proofs, etc. ("tooling"). Customer shall be responsible for all reasonable re-sharpening and storage expenses associated with tooling.

IV. Shipment, Delivery, and Inspection.

A. Omni shall select the method and carrier for delivery of all Products. Risk of loss or damage to the Products shall pass from Omni to Customer upon delivery to a carrier at point of shipment.

B. Any shipment, delivery, or performance date stated in the Offer or other contract document is approximate only and does not constitute any guarantee of shipment, delivery, or performance on any particular date. Customer may request expedited handling or shipment, but will be charged Omni's then current expedite fee.

C. Time shall not be of the essence of this Agreement.

D. Customer shall inspect and accept or reject Products delivered by or for Omni within 96 hours after delivery to Customer's facility. All products delivered shall be conclusively deemed accepted and to conform to contract requirements unless rejection is made or specific objection or notice of non-conformity is given in writing within such 96 hour period.

E. Prior to returning any Products to Omni, Customer must obtain a valid RMA number from Omni. Omni shall have no obligation with respect to any Products returned without a valid RMA number. Omni may refuse any Products returned without a valid RMA number or discard them.

V. Payments, Title, and Security Interests.

A. All payments shall be without deductions for back-charges, other accounts between Omni and Customer, and the like, which shall be settled independently of the payment of the invoice. Payment shall not prejudice claims for omissions or shortages in shipment, but no such claim will be allowed unless made in writing within 96 hours after receipt of the applicable shipment by Customer.

B. Payments shall be due 30 days from the date of Omni's invoice. Omni may charge interest on any balance due beyond 30 days at the rate of one and one-half (1½%) percent per month. Any discounts for early payment that may be offered by Omni are valid only if payment is received by Omni within the specified time for early payment.

C. Notwithstanding that risk of loss passes to Customer upon shipment, title shall not pass to Customer and Omni shall have a security interest in all Products until Omni receives payment in full. At the request of Omni, Customer shall sign all financing statements and other documents required to protect Omni's security interest.

D. Title and risk of loss to any tooling shall pass to Customer upon payment in full, even if the tooling remains in Omni's possession. Customer shall be responsible for all reasonable re-sharpening and storage expenses associated with the tooling.

E. Upon termination or expiration of the parties' business relationship, or the contract to which Omni's Terms apply, whichever is sooner, Customer shall purchase from Omni all goods in Omni's inventory that have been produced or acquired exclusively for Customer's use.
